

Come and join Chester's first City Nature Challenge!

People in over 400 cities across the globe will be observing and recording nature around them between 28 April and 1 May.

It's easy to get involved: scan the QR code below for more information and to download the iNaturalist app. Then take a wander in your park to record any trees, plants, fungi and creatures you see or hear!

Volunteers will be by the cafe in Westminster Park on Saturday 29th April, 10 to 12 noon and 1 to 3pm, to guide and advise you.
